

Cabbage Patch Doll Knit Swing Dress
by
SGRAHA

I drafted this pattern using measurements from my daughters baby doll. (we couldn't find our girl doll so our boy had to model).

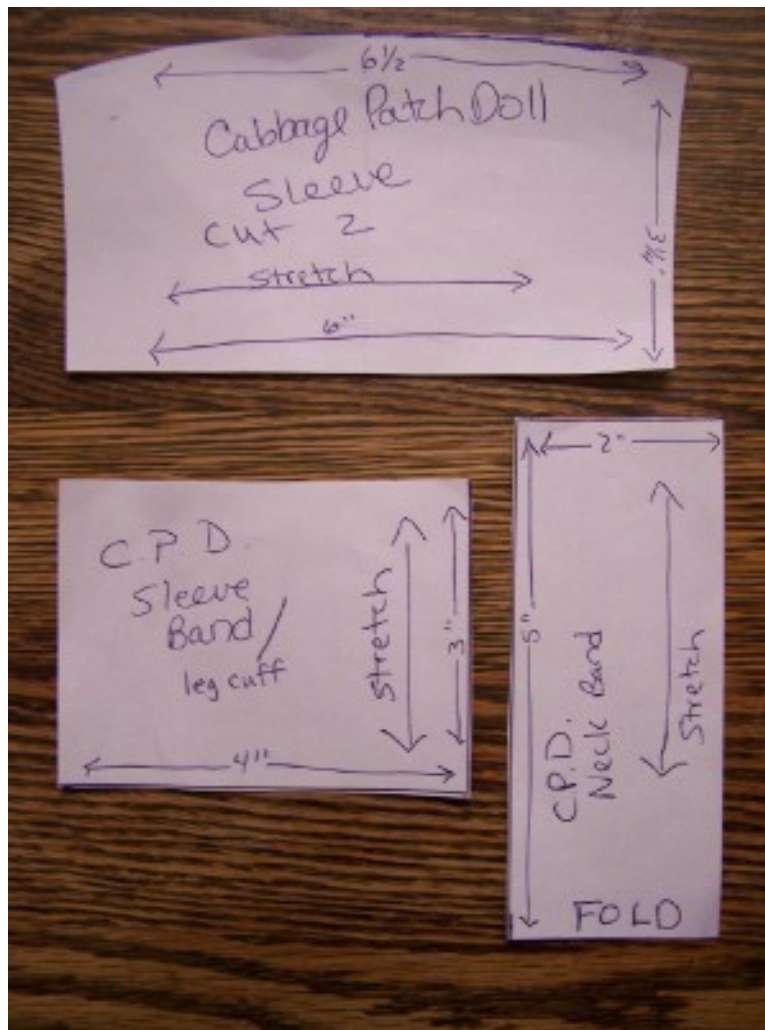

We use up scrap knit pieces for making doll clothes and diapers.

Here are the pieces, i have a scanner if I can get it to work right and someone can help me figure out how to make them into a PDF file i will.

This is sewn much like any basic t-shirt or nightgown.

#1 Sew right sides together at the shoulder seams. (I didn't take a picture of that, sorry)

#2 Sew in the neck band.

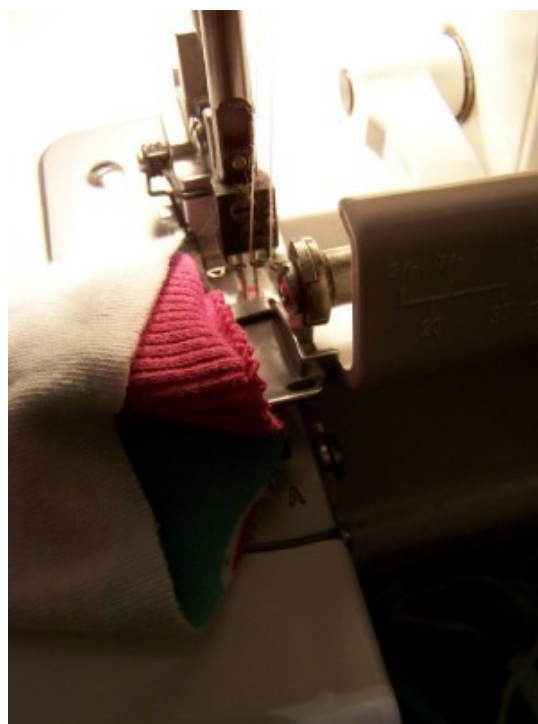

#3 Sew sleeves on, right sides together.

#4 Sew right sides together down both side seams (all the way from wrist, through underarm, to hem).

#5 Sew in the wrist bands.

Here is what it looks like at this point, before hemming.

#6 Hem. I made a slight "lettuce" edge by folding under my hem, using a narrow zig zag stitch and stretching slightly as i sewed.

Here's the finished project.
