Perfect stocking stuffer, quick gift for a friend or even for yourself (my sunglasses are constantly scratched).  
Use up pieces of fabric in your scrap bin!

You will need -  
Woven Fabric  
Fusible Fleece  
Flannel (or other soft lining fabric)

Pattern - 8" wide x 7 3/4" long

Cut 1 fabric, interfacing & flannel (can round corners if you want, i think it's easier to not)

Layer as follows - flannel wrong side up, fusible fleece fusible side up, woven print right side up.

Iron so that the fusible fleece adheres to the woven print.

Finish top edge, i use a rolled hem i find it's the nicest looking and also the easiest to do.

Alternately you could just serge it or fold it over (double) and do a narrow hem.

Serge around the other 3 sides.

Flip right side out and iron (use plenty of steam).

Top stitch.

DONE! Enjoy!
